	I am of opinion that the rule as drafted
	is too general. Ordinarily an officer is expected
	to make over charge when proceeding on leave and
	to take over charge when returning from leave at
	his headquarters (Art 37 M.S.R.) Proceeding on
	leave from an out station while on tour is a
	special arrangement to be specially sanctioned in
	each case by competent authority. When that arrange
	is sanctioned the officer must be held to be on leave from
	the date he makes over charge at the outstation. Under

his own cost. But this would involve hardship in
some cases. On the other hand a general rule
like the one drafted is likely to result in unfair &
unnecessary expenditure. I would therefore suggest
alterations in the draft as shown in pencil.
Such cases are few and as the question of transfer
of charge at a place other than Head Quarters will
have to be considered in any case the question of
the return to a may be considered at the same
time. 12/6

2. It is proposed to embodv this general ruling in the Mysore Service Regulations. Both the Councillors agree to the proposal.

3. The accompanying draft of Note to Article 621 of Mysore Service Regulations, marked A, (also agreed to by the Financial Department) may be approved.
